

You
NEED A
DRINK OF
water

DO YOU KNOW FOR SURE YOU WILL GO TO Heaven?

1. Admit you are a sinner and need to be saved from hell.
"For all have sinned and come short of the glory of God" Romans 3:23
2. Believe that Christ died, shed his blood for your sins, and rose again from the grave.
"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8
3. Call upon the Lord to forgive you of your sins and save you.

In John 7:37-38, Jesus said, "...If any man thirst, let him come unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water."

The Bible teaches us that when a person believes on Jesus Christ for salvation, he is given the gift of the Holy Spirit. It is the Holy Spirit that is the living water, and the only way to receive the Spirit is to believe on Jesus Christ ALONE for salvation!

Take a Drink!

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13

DID YOU KNOW?

Lack of water is the No. 1 cause of daytime fatigue.

Even mild dehydration will slow down one's metabolism as much as 3%.

At times, the thirst mechanism is so weak that it is often mistaken for hunger.

Most people are chronically dehydrated.

A glass of water will eliminate midnight hunger pangs for nearly 100% of dieters.

67% of the human body is water.

You can survive a month or more without food, but only 5-7 days without water.

One acre of corn can contribute more to humidity than a lake of the same size.

75% of the earth is covered with water of which 3% can be used for drinking & 75% of all fresh water is locked up in glaciers.

It takes 500 litres of water to produce one orange, 41,500 litres to produce one kilo of meat, and 5,000 litres to produce one kilo of rice.

Sir Peter Blake's last journal entry before his murder said, "The quality of water and the quality of life in all its infinite forms are critical parts of the overall, ongoing health of this planet of ours..."

This statement is very true! The quality of water IS essential to the quality of both physical AND eternal life. Simply, you must have water to have life!

The Bible tells us of a spiritual water more critical than H₂O - LIVING WATER!

"...Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into ever lasting life." (John 4:10-14). Living water comes from the Lord Jesus Christ.

There is no life outside of salvation in Jesus, the fountain of living water. Are you thirsty? Is there a desire in your life that nothing has been able to quench? Do you want refreshment? Have the cares of this world left you parched? You need a drink! You need the Lord Jesus Christ! Without the water of life, there can be no eternal life.
